

# Multimedia All in One PC

--- for all brand Interactive Whiteboards

# Product Structure:

# Special Features:

※ **Built-in:**

**PC + Hifi Speaker + touch panel Central Controller + Visualizer+ Patent Keyboard+ Mouse Pad**

※ **High intergrated combo and space saving**

※ **Easy installation and maintenance**

※ **One key to power on/off all devices**

※ **With Projector power-off delay protection**

※ **Multi optional interfaces on central controller :**

**Universal charging interface / HDMI/ WLAN / Projection screen Up and Down**

※ **Optional :** 1) i3/i5/i7/OPS mini PC

2) ID card to lock instead of standard keys

3) WiFi Module

※ **Patent Optional Accessory :** All in one remote controller

# Product Details:

**Slim Design:**  
1280x260x80mm

**Fully closed Top Cover**

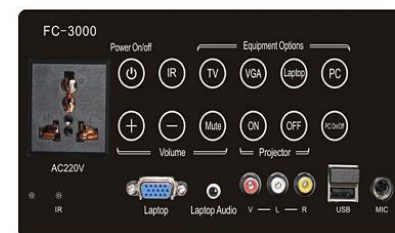

**Top Interface**

**Working platform**

**Two control panels for options**

**Touchable Control Panel**

**Mechanical Keys Control Panel**

# Product Application:

# Product Specifications:

Model No.	Specifications	FC-2000	FC-3000	Model No.	Specifications	FC-2000	FC-3000
Cabinet	Demension	1280x260x80mm	1280x260x80mm	PC	Structure Featrues	Slim and compact design,the top panel is fully closed,with side cable holes,dust-proof	
	Color	Black ,white	Black ,white		CPU	I3,I5 ,I7 for options	
	Lock system	Mechanical lock	Machanical and Smart lock for options		Storage	RAM:2GB / 4 GB ,HDD:500GG/1000GB for options	
	Top Interface	Lan port,VGA out,power in/out,RS232,IR,USB port,Audio out ,Vedio out,etc			Integrate	Integrated graphics Intel HD Graphic 2500 , Support 1920*1200, High performance sound card	
Weight	N.G 15.5kg G.W.17kgs			I/O Interface	Projector anti-theft alarm	non support	Support
Central Controller Features	Upgrade	direct upgrade CPU to I5, I7 series ,no need to replace the motherboard			Video	1way output, 1 way input	1way output, 1 way input
	Control Panel	Machanical keys	Touchable panel		Audio	3 way input, 1way output	4 way input, 1way output
	One-key switch on/off the system	Non-support	Support		VGA	3 way input, 1 way output	3 way input, 2 way output
	Projector power-off delay device	Not included	Included		USB	4 way	4 way
Digital Visualizer	Resolution	3.0Meg			232 Port	1way	1way
	Scan Size	A4			Power Output	2 way	2 way
	Color	24bit			IR Port	1 way independent programmable infrared interface	1 way independent programmable infrared interface
	Scan Speed	1second			Microphone	2 way ( 1 way wired microphone,1 way 2.4G wireless microphone )	2 way ( 1 way wired microphone,1 way 2.4G wireless microphone )
	Scan object	File ,document, books, text, real object, face etc			Lan Port	1 way	1 way
	Light Resource	High brightness LED, natural light		HDMI	Not support	available for options	
	Photo Format	JPEG、 TIF、 PDF etc		Keyboard	Built in,Laptop type (with Patent)		
	Video Format	AVI、 MPEG4、 H.264、 FLV		Speaker	20W ( 10W*2 ) , Resistance 4Ω, Sensitivity 85DB, Frequency response:100HZ-18KHZ		
Image effects	Brightness adjustment, exposure adjustment, sharpness, color adjustment, gain adjustment, delete the black edges, image color adjustment, image shearing		Amplifier		Frequency response : 20Hz-20KHz, Sensitivity :450mV		
					Frequency response	20HZ-20KHZ	

# Optional Product Specifications:

<b>All-in-One Remote Controller (Optional)</b>	Features	Collect 3 functions: laser pointer, air mouse and universal remote controller, with hotkeys for internet surfing, mute model, PPT page up/down
	System Support	Windows XP/Vista/Windows 7//Android
	Radio	2.4G RF
	Power Supply	3V.NO.7 Dry Cell
	Size	125x50x10 mm
	Packing Dimension	155x70x30mm
	Weight	N.W.60g G.W.120g
	<b>Wireless Microphone (Optional)</b>	Operating range
Power supply		Built in rechargeable lithium battery 3.7V (1200mAH)
Transmitting Distance		50 Meters
Channels Qty		40
Using Ways		Handheld, collar clip, head wearing
